

# SEISMIC INTENSITY SCALE IN CONNECTION WITH THE 80th BIRTH DAY ANNIVERSARY OF FELIX FUADOVICH APTIKAEV

A.S. Aleshin, A.Ya. Sidorin

*Institute of Physics of the Earth, RAS, Moscow, Russian Federation*

**Abstract.** Contributions by a known specialist in the Earth sciences Felix Fuadovich Aptikaev into the engineering seismology with highlighting development of a seismic intensity scale are briefly considered. The paper is devoted to F.F. Aptikaev's 80th birth day anniversary.

**Keywords:** personalia, F.F. Aptikaev, earthquakes, strong motion, parametrization, engineering seismology, seismic intensity, scale.
